

@Home @School Fact Sheet

CCISD Learning Technology

Skyward – Student Information System

Purpose: This system is used for forms, grades, attendance, schedule, communication, and online textbooks

Web Address: skyward.ccisd.net or www.ccisd.net and click on @home

Login:

- Students use their district ID number@ccisd.net as the username, and their 6 digit pin number with 2 preceding zeros as the password. (example: username: 0001234567@ccisd.net and password: 00123456)
- Parents will have a unique Family Access username and password. Contact the campus if you need help logging in.

Quick Facts:

- Click on Schedule to view and print student(s) schedule.
- Check grades. Click on an average to see individual assignments; click on an assignment grade to see more details.
- Click on My Account to set up grade notifications by email.
- Click on a teacher's name to send them an email.
- Click on District Links to access online textbook information, and to fill out student tablet/laptop forms.

itslearning – Curriculum Management System

Purpose: This system is used for curriculum, lesson planning, course resources, class assignments, and assessment

Web Address: <https://clearcreek.itslearning.com> or www.ccisd.net and click on @school

Login:

- Students use their district ID number@ccisd.net as the username, and their 8 digit PIN number as the password.
- Parents do not have their own login to itslearning at this time. CCISD is planning to develop this access in the future, however, a parent may log in to itslearning with their child's username and password.

Quick Facts:

- Log in to itslearning, look for the list of courses, and click a course name to enter it.
- Teachers use itslearning to share resources with students that will help them to be successful in that course.
- Many teachers give assignments and tests within itslearning.
- itslearning has links to Skyward and Office365 to promote student communication, collaboration, and accountability.

Microsoft 365

Purpose: This system is used for in-district email, cloud storage, and document creation & sharing

Web Address: portal.office.com

Login: Students use their district ID number@ccisd.net as the username, and their 8 digit PIN number as the password.

Quick Facts:

- Each student has an Outlook email address used for in-district educational communication.
- Student ID numbers should not be shared, so students have a system generated email alias, which consists of their first and last initial plus 4 random numbers @ccisd.net. This email alias is used for all communication. The student alias can be located in Skyward or Outlook.
- Students have OneDrive Cloud storage for creating, saving and sharing documents within CCISD.
- Students have access to Microsoft Web Applications, including Word, PowerPoint, Excel, OneNote, and Sway, to assist them in completing school assignments/projects.
- Students may also download and install Microsoft Office on up to 5 home computers/devices and may use these at no cost while they are students in CCISD.

All of these systems are available online 24/7 for your convenience!
